

Composting and Coffee Workshop

Join us at Jubilee Hall, Burnturk for a workshop on home composting. Our tutor will be Dr Liz Lakin from Dundee University. Making compost at home is an environmentally friendly way to deal with kitchen and garden waste. Learn how to make the perfect mix and find out about the different ways to compost.

This event is suitable for beginners. Hot drinks and snacks will be provided. This event will be indoors with some outdoor activities.

Booking info: This event is free but booking is required. To book: email caf@tayportgarden.org or text 07724 194057. **Accessibility:** Ramp access to Hall. Some steps and gravel paths in garden.

Saturday 10th May 2025. 2.00pm – 4.00pm
